### Vocabulario

Today, we are going to learn new words, phrases, and expressions about important things that you usually carry with you.

- **Where you can put the things you carry with you.** Every day you carry with you important, small things. You may choose to put some of them in a bag or purse, **la bolsa**, or in your pocket, **el bolsillo**.
- **Important things not to forget.** There are some things that you always have to keep with you, like for example your wallet, **la cartera**, where you put your money, **el dinero**. You also should have the key, **la llave**, of your home and perhaps other keys, like the key of your locker at school. Finally, do not forget to take your identity card, **la tarjeta de identidad**, with you. You could need it at any moment.
- **Other things that you carry with you.** Apart from things we have already seen, there are other things that you usually carry around, like the library card, **la tarjeta de la biblioteca** or your student ID, **la tarjeta de estudiante**; these two are normally inside of your wallet. You should keep these things in a safe place and always in your sight, especially your wallet, so you don't lose or forget them!
